

COSMIC PATHWAYS

Symphony of the Stars: Harmonizing the James
Webb Space Telescope in Music and Images

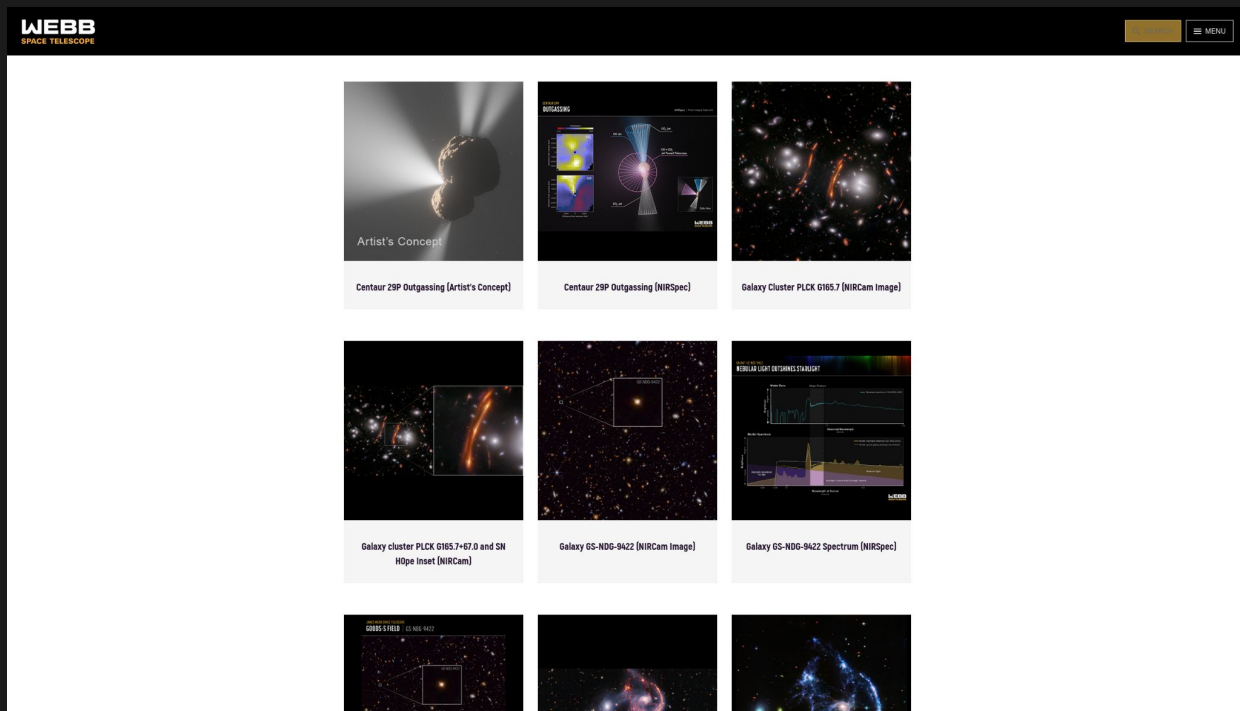

Symphony of the Stars: Harmonizing the James Webb Space Telescope in Music and Images

How many of you have
explored images with the
James Webb Space Telescope?

The Problem

Our Goal

- More immersive
- Accessible
- Experience

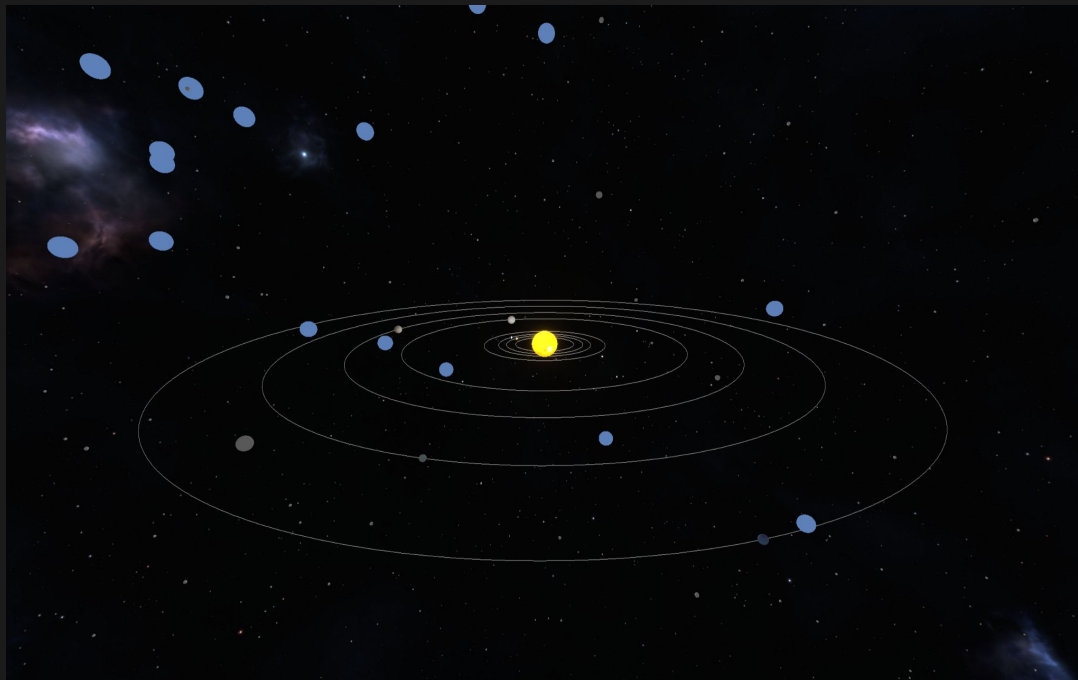

Our View

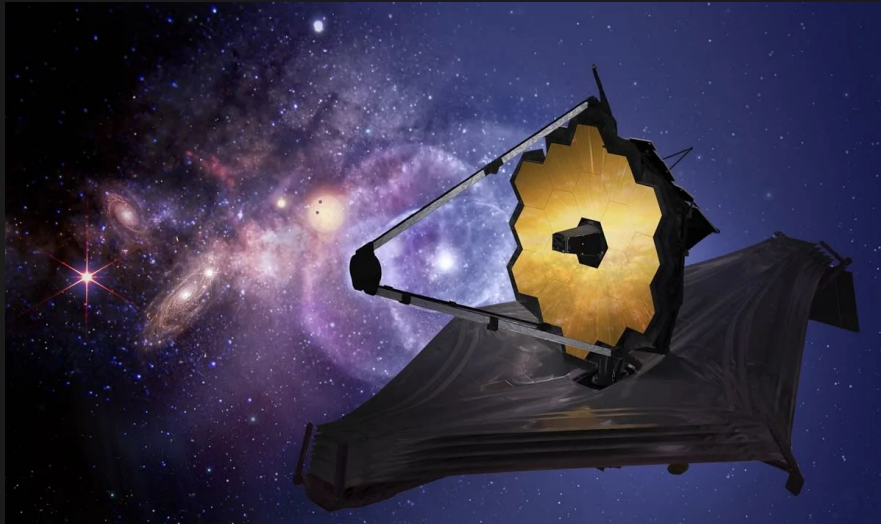

- James Webb
- Central figure
- Creating images and music

Our Project

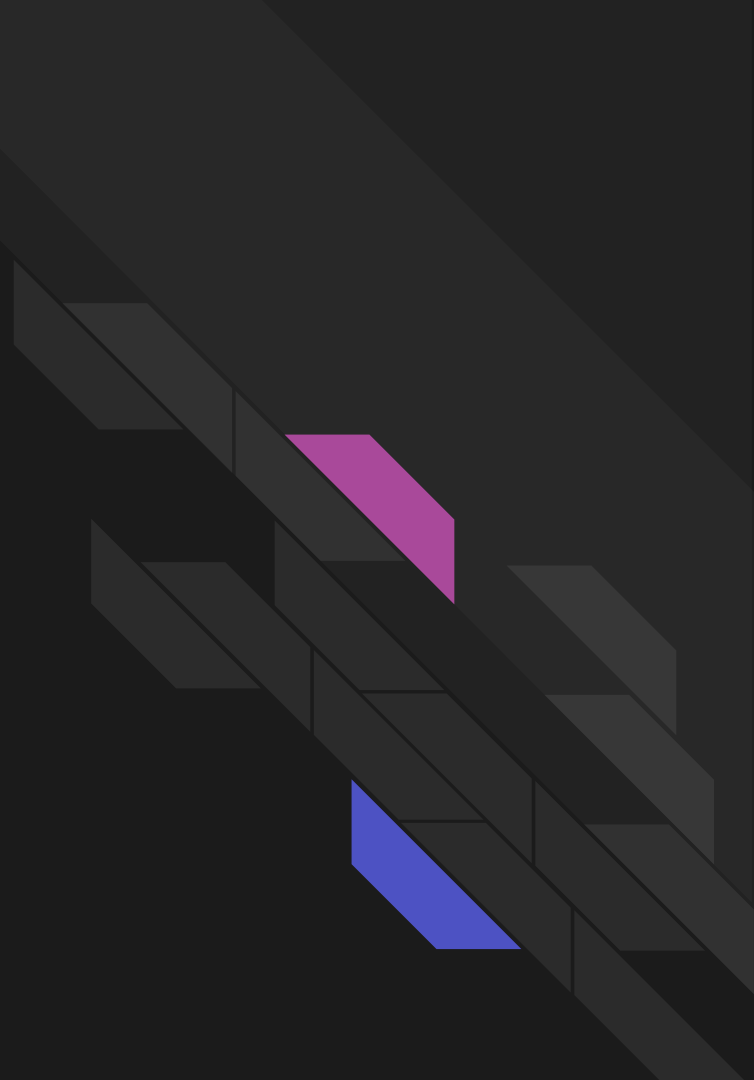

https://github.com/HenriqueSFernandes/cosmic_pathways

In 2016, James Webb
Space Telescope costed
10 billion USD

Come help us make the
observable universe
more immersive!
